Pillar I

Smart Growth

PROGRAMME RESEARCH IN ENTERPRISES

Το Πρόγραμμα RESTART 2016-2020 συγχρηματοδοτείται από την Κυπριακή Δημοκρατία και το Ευρωπαϊκό Ταμείο Περιφερειακής Ανάπτυξης της ΕΕ.

PROGRAMME

RESEARCH IN ENTERPRISES

Call for Proposals

Announcement Dated: 16/09/16 Submission Dated: 20/01/17 Budget: 4.000.000 Euro

Description:

- Creation of new products/services/production methods of high added value, or significantly optimised products/services/production methods which are industrially used.
- Intensifying the participation of Cypriot Enterprises in research activities.

Beneficiaries:

- Host Organisation: Small or Medium Sized Enterprise (B.1, B.2).
- Partner Organisations: Research Organisations, Enterprises or Other Organisations.
- Participation of Foreign Research Organisations is not permitted.

Expected Outcomes:

- Creation of new products/services/production methods of high added value, or significantly optimised products/services/production methods which are industrially used.

PROGRAMME

RESEARCH IN ENTERPRISES

Call for Proposals

Announcement Dated: 16/09/16 Submission Dated: 20/01/17 Budget: 4.000.000 Euro

Budget:

■ **4.000.000** Euro.

Maximum Funding per Project:

■ **200.000** Euro per Project (Total: 20 Projects).

As the Programme is part of the Pillar I “Smart Growth”, the Projects must be applicable to the selected Priority Sectors:

Energy

Tourism

Transports-Marine

Agriculture-Food Industry

Built Environment-Construction Industry

Health

ICT

Sustainable Growth-Environment

PROGRAMME

RESEARCH IN ENTERPRISES

Call for Proposals

Announcement Dated: 16/09/16 Submission Dated: 20/01/17 Budget: 4.000.000 Euro

Project Activities:

- The Projects must necessarily include Experimental Development activities.
- They may also include Industrial Research activities.
- With the Completion of the Project Implementation, the Host Organisation must prepare a “Utilisation Plan” which will be submitted to the RPF as Deliverable along with the Final Report.

Duration of Project Implementation:

- 12-24 months

PROGRAMME RESEARCH IN ENTERPRISES

Call for Proposals

Announcement Dated: 16/09/16 Submission Dated: 20/01/17 Budget: 4.000.000 Euro

Evaluation:

- Remote Evaluation by two evaluators.

Evaluation Criteria/Weighting:

- (1) Excellence: 20%
- (2) Added Value and Benefit: 40%
- (3) Implementation: 40%

Selection of Projects:

- By order of ranking.

PROGRAMME

RESEARCH IN ENTERPRISES

Call for Proposals

Announcement Dated: 16/09/16 Submission Dated: 20/01/17 Budget: 4.000.000 Euro

Aid Intensity:

- Based on the Type of Organisation and Type of Activities.
- 70% (Enterprises, Research Organisations or Other Organisations).

Eligible Costs:

Personnel costs, Instruments and Equipment Costs, Costs for External Services, Foreign Travel Costs, Consumables, Other Specific Costs, Overheads.

Pillar II

Sustainable RTDI System

HORIZON 2020 - 2ND OPPORTUNITY

Το Πρόγραμμα RESTART 2016-2020 συγχρηματοδοτείται από την Κυπριακή Δημοκρατία και το Ευρωπαϊκό Ταμείο Περιφερειακής Ανάπτυξης της ΕΕ.

PROGRAMME

HORIZON 2020 - 2ND OPPORTUNITY

Call for Proposals

Announcement Date: 16/09/16 Submission Date: 01/07/19 Budget: 5.500.000 Euro

Description:

- Provide a second chance to organisations and natural persons (researchers) who submitted a Proposal to receive a grant in the frame of the HORIZON 2020 Programme.
- High quality but did not manage to secure funding from EU or ERC due to budget depletion.
- Programme works as a supplement for the participation of Cypriot organisations and natural persons in specific actions of the HORIZON 2020 Programme of the EU.

Expected Outcomes:

- Integrate and make the best use of young, high-level scientists in the Cypriot RTDI System.
- Promote the materialisation of globally competitive innovation projects by SMEs.

PROGRAMME

HORIZON 2020 - 2ND OPPORTUNITY

Call for Proposals

Announcement Date: 16/09/16 Submission Date: 01/07/19 Budget: 5.500.000 Euro

Beneficiaries:

- Two Modules:
 - “Young Researchers - 2nd Opportunity” Module
 - “SME Instrument - 2nd Opportunity” Module
- Host Organisations: Research Organisations, Enterprises, Other Organisations

Funding per Project:

- 150.000 Euro for projects/proposals “MSCA - Individual Fellowships (IFs)/Standard European Fellowships (EFs)” - Total Budget “MSCA”:1.200.000 Euro
- 700.000 Euro for projects/proposals “ERC - Starting Grant”
- 1.000.000 Euro for projects/proposals “ERC - Consolidator Grant”
- 50.000 Euro for projects/proposals “SME Instrument - Phase I”
- 700.000 Euro for projects/proposals “SME Instrument - Phase II”

PROGRAMME

HORIZON 2020 - 2ND OPPORTUNITY

Call for Proposals

Announcement Date: 16/09/16 Submission Date: 01/07/19 Budget: 5.500.000 Euro

Module “SME Instrument - Phase I & II”:

- Host Organisation: SME (B.1, B.2), whose Proposal was submitted in the “SME Instrument” (Phase I, Phase II), was eligible for funding, but did not get funded because of depletion of the budget.
- A new Proposal must be submitted to RPF.
- The consortium organisations included in the Proposal submitted at the EU may participate in the Project as Partner Organisations.
- The participation of Foreign Research Organisations is permitted.
- In case that Foreign Research Organisations are included in the proposal, they can participated as subcontractors (the rules of the tender progress do not apply).

PROGRAMME

HORIZON 2020 - 2ND OPPORTUNITY

Call for Proposals

Announcement Date: 16/09/16 Submission Date: 01/07/19 Budget: 5.500.000 Euro

Project Activities:

■ Phase I

A feasibility study in which the activities that were included in the Proposal submitted at the EU and which have been adapted to the rules and procedures of the Framework Programme RESTART 2016-2020.

■ Phase II

- It includes the activities (Industrial Research and Experimental Development Activities) that had been described in the Proposal submitted in the EU and the ERC, and which have been adapted to the rules and procedures of the Framework Programme RESTART 2016-2020. Innovation Activities are not permitted.
- Activities of TRL-9 that had been included in the Proposal submitted under the “SME Instrument Phase II” are not eligible for funding.

PROGRAMME

HORIZON 2020 - 2ND OPPORTUNITY

Call for Proposals

Announcement Date: 16/09/16 Submission Date: 01/07/19 Budget: 5.500.000 Euro

Eligible Costs:

Phase I

- Personnel Costs, Instruments and Equipment Costs, Costs for External Services, Foreign Travel Costs, Consumables, Other Specific Costs, Overheads.
- Expenses for carrying out the feasibility study.

Phase II

- Personnel Costs, Costs for Foreign Research Organisations, Instruments and Equipment Costs, Costs for External Services, Foreign Travel Costs, Consumables, Other Specific Costs, Overheads.
- For the “SME Instrument - 2nd Opportunity” module, no restrictions apply in relation to the maximum limits of the budget for the “Costs for External Services” category.

PROGRAMME

HORIZON 2020 - 2ND OPPORTUNITY

Call for Proposals

Announcement Date: 16/09/16 Submission Date: 01/07/19 Budget: 5.500.000 Euro

Evaluation:

- Internal Evaluation.
- The RPF accepts the result of the Scientific Evaluation of the EU and the ERC.
- In case where the Project activities must change in relation to the Proposal submitted to the EU or the ERC (which is something more possible in the case of “ERC- Starting and Consolidator Grants” and “SME Instrument-Phase II”), the RPF remotely evaluates the quality of the content of Proposals which are later incorporated to the Project contract, during the preparation of contracts, to establish their soundness, scientific level and feasibility of their targets, compared to the original Proposal submitted to the EU or the ERC.

Thank you!
