Dear SEAPEK Member,

We are pleased to announce that you are invited to International Solar Power and Technology Summit Portugal 2018 by SEAPEK - Cyprus Association of Renewable Energy Enterprises.

In the near future **EU 2020 (A European Strategy for Smart, Sustainable and Inclusive Growth)** will have a big impact in the renewable energy and solar sector. According to these changes our next Global Event, International Solar Power and Technology Summit will be held in Porto, Portugal on 15th and 16h of October, 2018.

Summit mainly covers Solar Energy, Finance, and PV Technology issues to promote renewable energy transmission and increase the usability as one of the crucial targets of **EU2020**. The Summit will gather key renewable and solar experts and companies around the globe which have a big influence in the industry such as LightsourceBP, Efacec, Gamesa and others.

Summit is **Supported by 24** Leading Renewable and Solar Organisations

including:

"**APVIA**" - Asian Photovoltaic Industry Association

"**INFORSE**" - International Network for Sustainable Energy

"**ESTELA**" - European Solar Thermal Electricity Association

"**APREN**" - Portuguese Renewable Energy Association

"**ITALIA SOLARE**" - Italian Solar Organisation

"**APPA**" - Spanish Renewable Energy Association,

"**PSA**" - Pakistan Solar Association

b ASOLMEXb - Mexican Photovoltaic Solar Energy Association

b SAAEAb - Southern African Alternative Energy Association and others

which are central figures in this assessment. We would like to complete this Summit with all of our partners who play important roles in promoting and preserving the progress of Renewable and Solar Energy Industry.

Your participation in this Summit will increase the importance of the topic in Portuguese Solar Sector and support the European Strategy for Smart, Sustainable and Inclusive Growth (EU2020) Targets which will be quite a big opportunity for the attendees around the world to get knowledge and information about your Green Activities in Solar Sector.

We are pleased to invite you and your partners to be one of the participants in our Summit and exchange knowledge with worldwide Solar Experts and Market Leaders.

As your company is a honorable member of one of Supported Organisation we are please to provide you **15% Discount** to all Participation Formats. Your Promo Code is : **STS-2018** (How to use Promo Code? You can contact us through email by putting Promo Code on the Subject Line of Email.)

We're delighted to feature on this year's programme, some of the key speakers from industry leading brands, such as **LightsourceBP**, **WELink Energy** which has Solar Project in Portugal worth of \$230mIn and **The Allianz Global Investors**. **Register today** to keep up to date on the latest news on the seminar programme.
